Discuss

Understand the concept

Achievements in various fields by the individuals and states

Group Discussion

1. Thang-Ta .. spear dance is a popular art in Manipur. Is there any dance form of this kind which uses weapons exists in your state or neighbouring state?
2. List out the name of different traditional martial arts in your state. What is the scope of traditional martial arts in the modern society?
3. What are the advantages and disadvantages of learning martial arts. How can we preserve and promote the traditional martial art forms?
4. Can art forms originate of its own in any region? Does it require any formal educational background?
5. Can we adopt both traditional art forms and modern art forms together?
6. Is there any difference of opinion among traditionalists and modernists in your state? What are their view points?
7. Explore the possibility of introducing any new crops in your region emulating the success story of floriculture in Sikkim.
- 8.

Debate

- Academic background and institutional support can only make achievers in the field of arts and Sciences.
- Traditional and modern art forms and life styles cannot coexist harmoniously in our country.

Questions

1. The achievements of north eastern states in the field of Arts, Literature, education, sports, culture and economic development are commendable. Analyse the factors for this success and whether we can emulate any of their development strategies for the upliftment of the undeveloped villages in your locality. Discuss.
2. Cities in mainland India took a long time to embrace modernity. But north eastern states though geographically isolated with poor communication network could attain modernity in a few decades without compromising the tradition. Analyse the ways to solve the conflict between the traditionalists and modernists to bring harmony in your state.
